

# ims Prime

Another name of change

## Automate

Processes & activities across institution  
Reduce paperwork & workload

## Integrate

Smart technology & hardware for Organizational data  
Actionable intelligence for informed decision making

## Empower

Administration with real-time information  
Optimize, structured, collaborate & easy sharing

## Connect

Stakeholders across the education ecosystem  
Management, staff, faculties, parents, students & alumni

# BENEFITS TO

## MANAGEMENT BENEFITS:

- Consolidated reports with real time information
- Greater tie-in with stake holders
- Financial planning & Paper less transactions
- Digital circulation of notices through SMS/Email
- No need of costly server or firewall
- Easy Fee payment and admission system integrated with free payment gateways
- Integrated Hardware devices for enhanced security

## FACULTY BENEFITS:

- Information anytime-anywhere
- Self-records like salary, leave records, attendance etc
- Easy to generate reports
- Better interaction with students, parents & management
- Analysed academic record of a student in single click
- Lesson plan for a session/semester

## STUDENT BENEFITS:

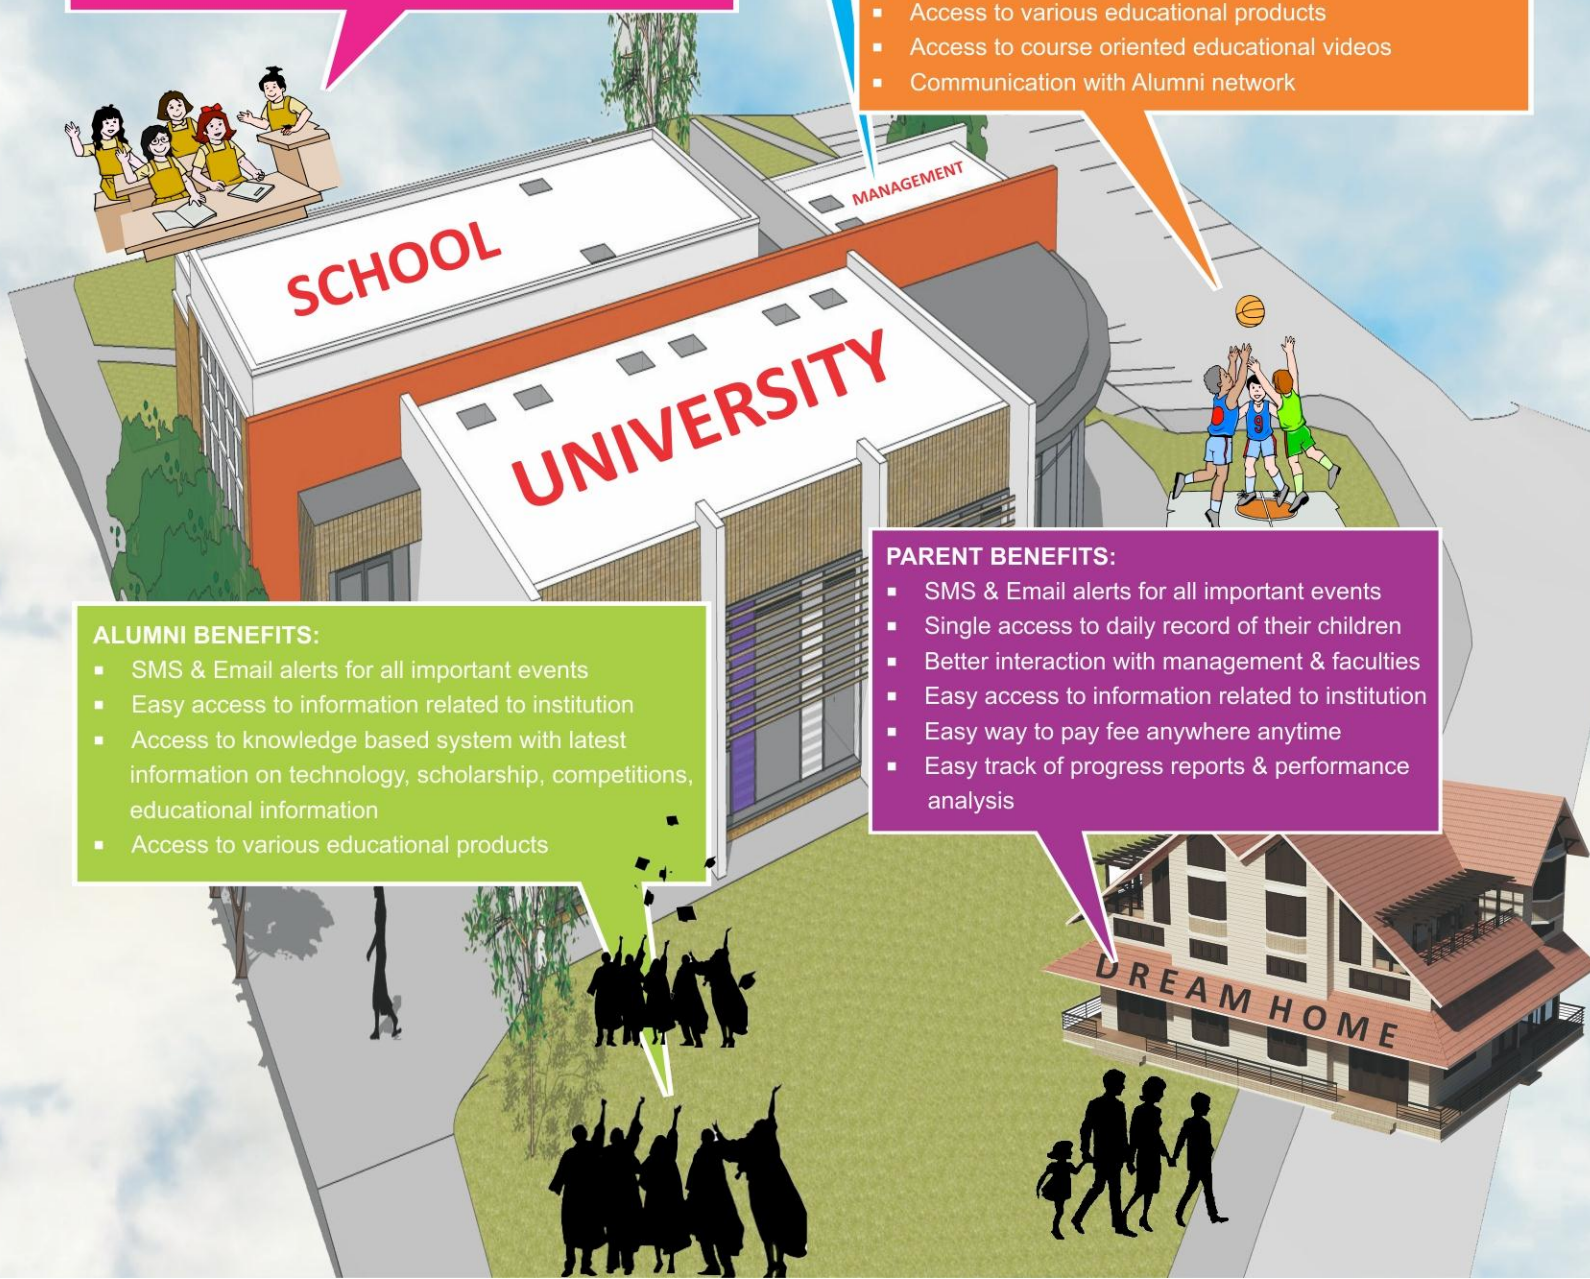

- SMS & Email alerts for all important events
- Better interaction with faculties
- Easy way to pay fee anywhere anytime
- Easy track of progress reports and maintenance of self performance
- Access to knowledge based system with latest information on technology, scholarship, competitions, educational information, etc.
- Access to various educational products
- Access to course oriented educational videos
- Communication with Alumni network

## PARENT BENEFITS:

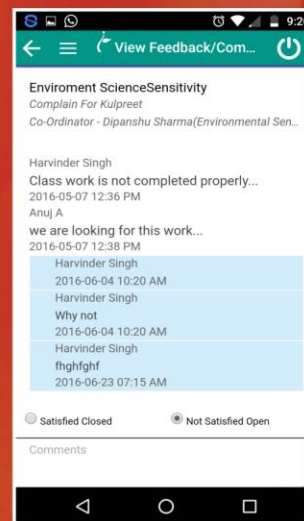

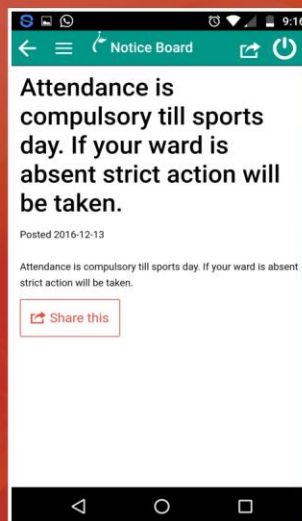

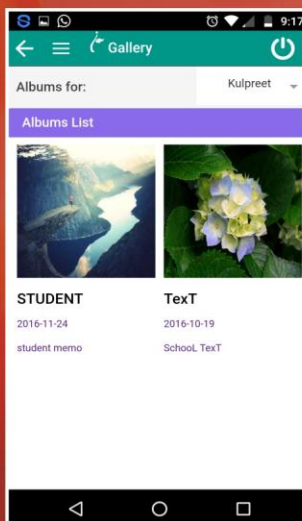

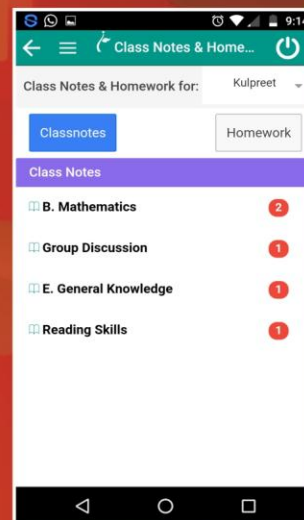

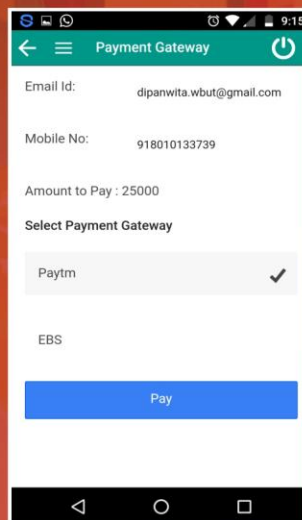

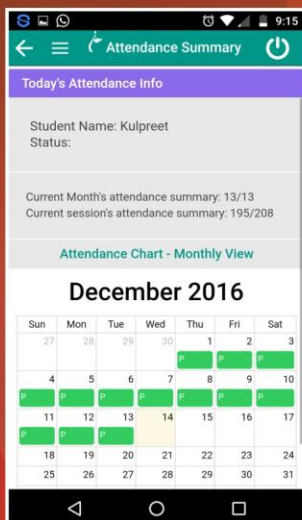

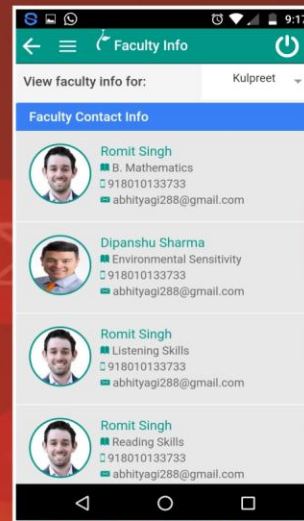

- SMS & Email alerts for all important events
- Single access to daily record of their children
- Better interaction with management & faculties
- Easy access to information related to institution
- Easy way to pay fee anywhere anytime
- Easy track of progress reports & performance analysis

## ALUMNI BENEFITS:

- SMS & Email alerts for all important events
- Easy access to information related to institution
- Access to knowledge based system with latest information on technology, scholarship, competitions, educational information
- Access to various educational products

"IMSPrime is an ERP that helped us keeping track with pace the world is evolving daily. Easy-to-use and efficient enough to save your half-a-day time for daily management work at institute if comparing the same being done manually"

Atul K Sharma (ERP Coordinator, Shri Aatm Vallabh Jain Girls College)

IMSPrime is an 'S-a-S' based educational ERP solution using innovative Cloud technology for high end performance and unbreakable security. For any educational institution IMSPrime is a complete application covering entire working processes with 180 power tools integrated in 42 different modules.

IMSPrime sole purpose is to make a system which can be Automated with various working functionally. Integrated with smart technology and hardware, Empower administration with real time information and Connect all stakeholders.

## Brief of ERP Modules

### Basic Modules

**Security**  
Server  
Data  
Network  
Content

**Basic Configuration**  
Multi school management  
weekly holiday,  
bank/branch account &  
dynamic form configuration etc.

**User Access Management**  
Employee  
Student  
Parent  
Alumni

**Profile and Dashboard**  
Dynamic Dashboard for every user

**Admission**  
Online admission, brochure selling,  
query & admission fee payment,  
multiple stages, various year  
admission ratio analysis,  
IVR admission advertisement

**Student**  
Various count reports,  
life cycle,  
status management

**Student Attendance**  
Manual & automated RFID attendance system,  
daily, monthly & yearly reports,  
attendance shortage analysis,  
attendance count in mark sheet,  
SMS/Email/Push message notification to parents.

### Academic Modules

**Student Class Note**  
**Homework & Assignment**  
Daily notification to parents,  
work load analysis,  
IVR integrated.

**Student Club/Group/ House Activity**  
Regular activities  
& notification,  
photo album,  
activity chart, achievements

**Student Lesson Plan**  
Regular lesson plan,  
lesson plan completion  
status, e-library faculty  
work load analysis

**Student Health**  
Important health records,  
health center visit details,  
emergency notification,  
regular health check-up records,  
growth chart

**Student Certificates**  
Various e-certificates  
like transfer, birth,  
character, tuition fee etc.,  
issue & reissue details

**Identification**  
Student, employee,  
parents,  
escort I-Card design,  
generation and printing

**Timetable**  
Creation, auto modification,  
subject wise attendance,  
lesson plan update

### Employee Management Modules

**Examination**  
Complete CIE (CBSE School),  
any university/board exam process,  
exam schedule creation & notification,  
mark sheet creation, sitting arrangement,  
mark declaration, performance analysis

**Student Fee**  
Auto Fine, Integrated with fee rules,  
Rebate, Adjustment, Partial Payment,  
collection reports, defaulters list,  
free payment gateway, IVR integrated  
payment due information,  
App based payment, automated alert

**Student Bank**  
Online pocket money recharge,  
details of Transaction, card/biometric  
based transaction in canteen,  
on campus stationary shop, hostel etc

**Hostel**  
Online application, seat allocation,  
seat modification, fee management,  
auto notification, mess management,  
tracking student staying in private  
hostel for security.

**Transport**  
Route/Stoppage configuration & allocation,  
fee management, GPS integrated on  
bus attendance, fuel management, distance  
trackers, speed alert, vehicle reaching stoppage  
alert, various analysis or records.

### Administrative Modules

**Specialization (Only for MBA Institute)**  
Specialization selection, various rule & criteria,  
optional subject selection, managing  
& maintaining specialization

**Placement (Only for Institutes)**  
Sending request & signing MOU  
with organization, schedule, notification,  
resume creation, student list as per organization  
criteria, job info, placement result, auto reflection  
of toppers in website, analysis of placement results

**Connecting Alumni**  
Sending invitation, online registration,  
group chatting & consulting, sharing industrial  
information, group creation, sharing various  
institute news & information

### Common Modules or Facilities

**Recruitment**  
Calculate faculty ratio, reports based on age,  
salary, experience, gender, job post,  
Auto recruitment request on resignation,  
Budget integration, Store resumes for future,  
managing interview & other processes online

**Attendance**  
Shift management,  
Automated attendance (using  
face recognizer or biometric),  
On duty & tour management,  
Late rule, daily, monthly,  
yearly reports

**Leave**  
Leave type & rule, Online leave  
application, approval & rejection,  
Short leave, notification on apply,  
auto deduction of salary on extra  
leave, late rule, various daily, monthly,  
yearly reports & analysis

**Payroll**  
PF, PT, ES, Income Tax & Gratuity  
management, Flexi salary, Formula based  
salary calculation, loan or advance  
management, Salary disbursement by cash,  
cheque, online transfer, Pay slip,  
Form 16, Tax challan, reports.

**Appraisal**  
Dynamic appraisal form  
creation, rating system, self &  
multi appraisal, various record  
or employee performance.

**Release**  
Transfer or resignation,  
HR approval,  
Handover of duty & asset,  
Exit/Transfer interview,  
Full & Final

**Asset & Inventory**  
Supplier list, Old purchase history,  
Asset categories, Asset record with  
purchase & billing history, Asset request,  
P/PO generation, RFID tags to track assets,  
Servicing & maintenance records of assets.

**Selling Asset**  
Selling Uniforms/Books/  
Stationeries using free  
payment gateway, Order &  
delivery tracking,  
Intelligent reports

**Document**  
Maintaining various category  
wise e-documents, easy circulation,  
and version controlling,  
high security in storing documents.

**Finance**  
Multi account, Group creation,  
Auto ledger, Bank reconciliation,  
Day books, Trial balance,  
Profit & loss, Balance sheet.

**Front Office**  
Online visitor book,  
auto analysis with visitor  
purpose, notification of visitor,  
Better security with visitor  
Image, Paper less work.

**Library**  
Structured book records,  
Online book issue, book issue &  
return using barcode /RFID tag,  
Analysis of requirement of books,  
e-Library, Newspaper & magazine  
management, auto library fine system

### Information Centre

PTM, Holiday, Activity, Events,  
Important Date, Session Calendar,  
Attendance, Notice, Poll, Note,  
Feedback, Complaint

### Free Mobile Application

Session Calendar, Timetable, Class note/  
Assignment/Homework, Fee, Exam,  
Attendance, Notice, Document, Library,  
Transport-Hostel, Important Contacts

### Free Payment Gateway

Free Payment, Admission  
brochure, selling asset

### Notification Manager

SMS/Email/Push/Short Code

### Communication Tools

Voice/Video Chat, File Sharing, Block of Report  
Users, Word Censoring, Push Message  
Group Chat, Blog, Forum

## Integrated Hardware

- 1.Face Recognition, Biometric – Automation of Employee Attendance
- 2.UHF RFID Gates – Automation of Student Attendance
- 3.Biometric Canteen Management System - Automation of Canteen
- 4.Bar code scanner/reader -- Automation of Library
- 5.VTS/GPRS System - Automation of Transport
- 6.I-Card Printer – Easy printing
- 7.Security Cams/Bio Locks – Connected online with ERP
- 8.TABLETS with educational content, e-books, preparation materials
- 9.Digital Board – For various, notice, NEWS, alerts in ERP
- 10.Smart Classroom – Smart boards with content
- 11.Solar Panel – Generate solar electricity and use green energy

"Thanks to IMSPrime team for reducing our daily activities enormously. Now we can call ourselves a paper-less hi-tech school. We are very happy with the security system and the amount of information that we are now providing to our students and parents"

Mr. Amit Kumawat (Director, Maharana Pratap Senior Secondary School)

## Application

- 1.Brain Storming Games
- 2.Learning Info
- 3.Knowledge base
- 4.Educational Products
- 5.Return Filling Service
- 6.Higher Education Details
- 7.Access to Job Site
- 8.Bill Pay
- 9.Utility

## Services

1. Free Payment Gateway
2. IVR -24/7 support for parents
3. Online E-content, E-books
4. Robotics Labs
5. Game Making Lab
6. Institute Website
7. Moodle (LMS)
8. Language Lab

# APL Global School

"This software has helped us to streamline our various processes at school and integrate it under one roof. I would really like to appreciate the service provided by you people. Keep up the good work and wish you all the best to achieve much more in this product"
